School Library Visits Recommence

We are pleased to say that the library service and our village school are renewing school library visits to engage families and young children in developing a love of reading for pleasure and foster a lifelong habit of library use.

The Big Plastic Count

Join the UK's biggest plastic investigation and count your plastic for one week, from **16-22 May 2022**. The Big Plastic Count will gather new evidence to find how much plastic we are really having to throw away, and what happens to it. They will be asking the government to commit to reducing single plastic use by 50% by 2025 by switching to reusable options that work for everyone – and ban sending our waste to other countries. Find out more at <https://thebigplasticcount.com/>

Big Jubilee Read

The Reading Agency, together with Libraries Connected, is coordinating the Big Jubilee Read to highlight the breadth of writing and imagination from among 70 authors of The Commonwealth. There are 10 titles from each decade of Queen Elizabeth II's reign. Find the full list at <https://readinggroups.org/big-jubilee-read>

Village Jubilee Celebrations

On **Saturday 4th June**, the library will be celebrating the Jubilee with a Pimm's bar, hot drinks, cake, and storytelling throughout the day, as well as normal library services. From **2:30-3:00**, Anthony Wagg will host a storytelling session for children on the history of Queen Elizabeth II's reign. We look forward to seeing you there!
